Re: Transfer of Notice of Intention, Small Mining Operations, Gold Queen Project, S/017/035,
Garfield County, Utah

Dear Mr. Wilson:

On May 5, 1999, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the Gold Queen small mining project located in the SW1/4 of Section 28, T31S, R11E, Garfield County, Utah from Green River Holdings, Inc. to MCW Enterprises. Along with the transfer form was the \$100.00 permit fee for 1998 for this project.

The Division Director signed and executed the transfer document on May 7, 1999 *which effectively transfers the responsibility of this mining operation and reclamation to you.* A copy of the transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for this project.

By copy of this letter the Division hereby officially releases Green River Holdings, Inc. from any further reclamation responsibilities at this site. Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me or Tom Munson of my staff at (801) 538-5286 or 538-5321 respectively. Best of luck with your new mining venture.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
